31 January 2017

Dear Parents/Caregivers,

RE: BHC SWIMMING CARNIVAL - Lower Primary Arrangements

Date: Thursday, 9 February 2017

Venue: Alstonville Swimming Pool

Students who are aged 8, by the end of 2017, will have the opportunity to choose between participating in the novelty races in the infant's pool, or competing in the qualifying races in the main pool. This is a personal choice based on your child's ability and confidence as a swimmer, however, students who choose to participate in the novelty races cannot qualify for North Coast Independent Schools (NCIS) Swimming Carnival and Age Champion and Runner Up.

Students that are swimming in the infant's pool (5-8 year olds) will need to stay in the marshalling area at all times during races. Students and all younger siblings are not to use the paddling pool at any time, as requested by the pool staff. Students are required to wear **rash shirts** as they are in the sun all day.

Students participating in the novelty races in the Infant's pool will now be leaving Alstonville Pool at 1:00pm and arriving at school at 1:15pm to finish the day. Please make note of these times if you are intending to pick up your child from Alstonville Pool. All students are required to notify their teacher before leaving the pool.

Please indicate below by ticking one of the following options and return by **3 February 2017**:

- My child/children will participate in the infant's pool.
- My child/children will compete in the 50m pool for the opportunity to qualify for NCIS swimming.

Kind Regards

Tiffany Chilcott
